Dear Partner University

We hope you find this letter well and we thank you for the warm hospitality that you've shown to our students.

We are writing to inform you that for the next academic year which will start in March, 2018, one student will be accepted to our school. Also, we will only accept a student who is participating for the whole one year program. Please see the enclosed documents for the conditions and further details and return the necessary documents by September 30<sup>th</sup> 2017.

Even if you are not sending any student, we'd be appreciated if you could inform us in any way that you prefer.

Also, because of the delay in publishing, we could only enclose the 2016 version of "International Prospectus." We will send you the newest edition as soon as it is published.

Thank you for your understanding and cooperation.

Sincerely yours,

Toshio Otaka  
Director, International Center  
Kokushikan University
